Julie, this looks ok. My only concern is whether the Drug Lab personnel will still have card access to 3 east ? CBS

Hi Chuck,

Here is the final copy of the security plan for the 3 West hallway upgrade that Kathy developed. I met with her last week and went over your comments with her. She also prepared a log-in form for the police officers to use when signing in at the front desk. I also met with Linda and Julie last Friday and asked Julie to send us a list of staff that will need access to the 3 West so their badges can be updated. Kathy also said she would update the badges when the system is ready.

Please let me know if you want me to setup a meeting to go over the next steps.

Dina

Dina-  
per our meeting, today.  
Attached is the 3 west plan outline.  
I also prepared a suggested log-in form for law enforcement personnel to use  
(based on the current UMASS security desk form)
